

RECYCLING

- We can help you dispose of your old appliances in an environmentally friendly manner and make sure it is recycled in accordance with the EU's WEEE Directive.
- You can return your old product to any of our stores on a one-for-one like-for-like basis or visit www.weeeireland.ie for further details of your local WEEE Ireland collection bank. Please note that any deliveries made by our couriers do not include the collection of old appliances.
- We do not accept returns on delivery however we can arrange collections at your convenience for collection of small electrical goods. We **DO NOT** charge for this service.
- Please ensure that all personal data held on computers etc is removed before being sent for recycling.
- Waste Electrical and Electronic Equipment (WEEE) and waste batteries must never be placed in your waste disposal or recycling bins. WEEE is taken back free of charge at electrical retail outlets on a one-for-one like-for-like basis. There is a bin for small batteries in your local store.
- Local authority civic amenity facilities also take back WEEE and waste batteries free of charge. WEEE and waste battery recycling is free.

DO YOU TAKE BACK USED BATTERIES?

- Yes, we do. In all of our stores you will find recycling bins for batteries. The batteries that we accept are: AA, AAA, C or D and also the flat batteries that are found in watches and toys. Unfortunately we do not accept back any Industrial or car batteries.
